

Series of infographics regarding heritage sites that have been documented under the program *Inventory of Cultural Property in the Province of Sindh*, undertaken as a joint project by Heritage Foundation of Pakistan and RWTH Aachen University in collaboration with Directorate of Archaeology, Government of Sindh. The project is sponsored by Federal Foreign Office of the Federal Republic of Germany.

The project was initiated in November 2013 and will continue until March 2015. So far 544 sites, a large number of which are located in remote and difficult-to-access areas have been recorded and uploaded on the server. Over 1,000 sites will be part of this inventory.
