

The Karachi e-Library

Fourth Public Outreach Program for School children

12th Deceber, 2011

The students from Woodland, Korangi and Karachi High Schools, along with their teachers arrived at 9:30p.m. at the KMC building. The band group from Woodland School performed upon the arrival of honorable guests; Dr. Azra Meadows, OBE and Dr. Peter Meadows, SQA Glasgow University.

The students then gathered at the TKeL in groups. They were briefed about the methodology of protecting historical records, cleaning, repairing and scanning the documents by Fauzia Lari. Then they were taken to the presentation suite. There they were welcomed by Yasmeen Lari, CEO Heritage Foundation, Ms. Shahnaz Ramzi, Board member of Heritage Foundation and Senior Director, Hasan Imam. The chief guests presented the lectures "Safeguarding Heritage". All the students greatly enjoyed their presence and learnt about the need to value the cultural heritage. The university students also participated in the event.
